

How to pay online for your conference ticket:

Because we are a ministry and a non-profit we are using PayPal's DONATION button and entry form. We have found that during past conferences, attendees would often request to donate **more** than the allotted donation and this makes it easier for those that wish to do this.

Don't become confused by our use of the word DONATION. When you click the Donation button you will get this screen!

(1) Simply type in the amount of the conference ticket - one person is \$75.00. If you are buying for more than one person, multiply the number of guest x \$75.00 and enter that amount in the box.
